BUCKEYE CHAPTER

The Buckeye Chapter is the 19th official chapter of the BCCA. The chapter was founded in January 1974.

Not only do our members collect beer cans, but other types of breweriana like lighted signs, back bar statues, tin over cardboard signs, steins, etc. Our chapter meets eight times a year to discuss all things relative to our chapter and the hobby.

The chapter's annual show is the second Saturday in March consisting of over 170 vendor tables and more than 300+ walk-ins. The Buckeye show is considered one of the largest brewery collectibles shows in the country. **Some benefits of membership are:**

- Interact with members on a local, regional, and national level
- Access to a show calendar and travel with fellow members
- Access a "Members Only" page on the Buckeye website
- Opportunity to attend annual national shows
- Receive national trade publications with membership
